

Dear Parents,

We are very proud to have been asked by Mrs Allender and the Trinity team to provide a nursery setting at your inspiring school.

Work has started to create an inspiring space to open a provision this Spring within the Trinity campus.

We are a family run business comprising of ten nurseries in Wiltshire. I am a qualified teacher and John has a background in financial services and he is the founder and president of Alabare Christian Care and Support, a charity that operates across the south west and throughout Wales. John is currently chair of the Wiltshire's Early Years Reference Group. Our son, Andy is the HR director who heads up the administration team who are always ready to help with any queries. We have four grown-up sons and four beautiful grandchildren who live in Ireland.

Our first nursery opened on the Wilton Estate over twenty years ago. It has the unique feature of having its own school farm. The children are all involved in the feeding, breeding and care of the sheep, pigs, ducks, goats ponies, donkeys and our latest arrivals a pair of alpacas.

We have currently two nurseries working with The Diocese of Salisbury Academy Trust and our South Hills Nursery Calne is on another of their school sites.

Each of our nurseries is unique, serving their community with an outstanding quality of teaching and care for their children. We are delighted to announce we have appointed Caroline Adams as our manager at Trinity. Caroline has been a valued part of our leadership team for many years. Please have a look at our website for further information and contact details

www.southhillsnurseries.co.uk

We look forward to meeting you at the earliest opportunity, Caroline will be on site from early March to organise a virtual show around and registrations.

Kind regards

John, Alicia and Andy Proctor
